Instructions for Local Recipient Organizations (LROs)
(How to Request a Dun and Bradstreet (D&B) Data Universal Number System (DUNS Number))

Please Note: It is strongly recommended that LROs use the Internet Option A for obtaining their DUNS number for reporting to the National Board. Check with your parent organization to see if you already have a DUNS number.

➢ What is a DUNS Number?
   • A DUNS (Data Universal Number System) Number is a unique identification number for each physical location of a business organization that is used to track how federal grant money is allocated.
   • LROs are required to provide the 9-digit DUNS Number.

➢ Who needs a DUNS Number?
   • All businesses or other organizations receiving money from the U.S. Federal government through contracts or grants are required to have a DUNS Number.
   • For EFSP purposes, all LROs must have a DUNS number. This was first required for LROs funded under Phase AR (American Recovery and Reinvestment Act of 2009): the National Board made it a requirement beginning with Phase 28. DUNS Numbers and all other data elements, as specified on the DUNS Reporting Form, must be submitted to the National Board. The DUNS number alone is not sufficient.

➢ How can I receive a DUNS Number?
   • You may receive your free DUNS Number by Internet or by phone.
     a. By Internet (Option A): This option is highly recommended. Register at grants.gov which includes a step-by-step process for obtaining the DUNS Number. If one does not already exist, it will be created within one business day.
     b. By Internet (Option B): Go to http://fedgov.dnb.com/webform and request a DUNS Number. If one does not already exist, it will be created within one business day.
     c. By Phone:
        ▪ Businesses in the United States or U.S. Virgin Islands may call 1-866-705-5711.
        ▪ Businesses in Alaska and Puerto Rico may call 1-800-234-3867 (Select Option 2, then Option 1).
        ▪ Call centers are open between the hours of 7:00 a.m. and 8:00 p.m. CST. Phone requests generally take five to ten minutes to complete.
     d. Please have the following information available when you call:

The data elements on the form are those that were required to be reported by sub-recipients of ARRA funding and are now required to be reported for all sub-recipients.
