The Phase 35 EFSP Manual is being used for Phase 36 along with this Phase 36 Addendum. These program changes were required for Federal grant administration purposes. Please keep these changes with your copy of the manual and ensure they are implemented for Phase 35, as required.

GRANT AGREEMENT ARTICLES, FINANCIAL TERMS AND CONDITIONS AND OTHER TERMS AND CONDITIONS

Pages 45-62 - Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions - This section has been amended and should be replaced with the following amended section.

Key Changes and Program Clarifications

This Key Changes and Program Clarifications section is provided to assist in your annual reading and review of the EFSP Responsibilities and Requirements Manual (EFSP Manual); it is not a substitute for the EFSP Manual. All State Set-Aside Committee members, Local Board members and all Local Recipient Organizations (LROs) are advised to read the entire Phase 35 EFSP Manual thoroughly for complete guidelines regarding their responsibilities, program operations, acceptable expenditures and documentation requirements as significant changes have been made.

GRANT AGREEMENT ARTICLES, FINANCIAL TERMS AND CONDITIONS & OTHER TERMS AND CONDITIONS

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to ALL parties participating in the grant. For the EFSP, all parties means the National Board which is considered the Recipient, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the Sub-Recipients. All parties need to ensure their understanding of the EFSP Manual and the statements on the Certification Forms. By signing the Certification Forms, they are agreeing to specific program requirements of the National Board as well as those mandated by the Federal government, including those that do not appear to apply to the types of programs and activities eligible under the EFSP. All parties will be held accountable for the provisions of the grant.

For further detail, please reference pages 11-28.

ELECTRONIC SIGNATURES

Starting in Phase 35, all Local Board Plans, Local Recipient Organization Certifications, Fiscal Agent/Fiscal Conduit Relationship Certification Forms, Lobbying Certifications, Second Payment Requests, Final Reports and Spending Period End Date Extension Requests must be electronically signed using DocuSign. You do not need a DocuSign account to electronically sign EFSP documents and there is no cost for using DocuSign for EFSP documents. Please review the updated Website User Guide for step-by-step instructions for submitting forms on the EFSP website and electronically signing. The User Guide may be found on the EFSP website, (www.efsp.unitedway.org).

ADVERTISING AND ACKNOWLEDGEMENT OF FUNDS

All parties as referenced in the Grant Agreement Articles must acknowledge EFSP funding as Federal funds awarded through the Department of Homeland Security. The acknowledgment must be included in Local Boards’ advertisement of funding to the jurisdiction and any printed material, including request for proposals, bid invitations, etc.

LOBBYING CERTIFICATION

By signing the LRO Certification Form, each LRO is certifying that EFSP funds will not be used for any type of lobbying activities. Additionally, LROs receiving $100,000 or more in EFSP funds must complete and submit the Certification Regarding Lobbying Form. The total of the funds is based on the original allocation to the LRO, plus any combination of subsequent awards to the LRO, including reallocations made by the Local Board.
If the Certification Regarding Lobbying Form is not submitted to the National Board, the funds may be held until it has been provided.

For further detail, please reference pages 42, 49, 60-61, and 95 in the Phase 35 Responsibilities and Requirements Manual.

SPENDING PERIOD EXTENSIONS

The National Board may determine on an annual basis to exercise the option to extend the spending period when the receipt of funding is delayed in the federal appropriations or award process. The National Board may choose to exercise this option when funds are received after the first quarter of the federal fiscal year. The National Board will determine the dates of the extension option beyond the end of the calendar year. The National Board has exercised this option; the spending period options for Phase 36 are:

LRO CERTIFICATION FORMS

Local Boards are required to have all agencies selected as LROs on the Local Board Plan e-sign and date the LRO Certification Form at the beginning of each funding cycle. A copy of this form must be retained by both the Local Board and the LRO. The certification forms for all funded LROs must be submitted electronically and e-signed by accessing the forms under LRO Plan. Funds will not be issued to any LRO who has not e-signed and dated the LRO Certification Form. Only the LRO Certification Form provided by the National Board for the funding cycle will be accepted. The National Board’s LRO Certification Form process has changes from prior phases with the introduction of DocuSign. The National Board’s form may not be amended in any way. Local Boards wishing to have appropriate additional requirements regarding the funding of LROs may submit an addendum with the National Board’s form. The addendum must also be submitted to EFSP with the Local Board Plan.

For further detail, please reference pages 40-42.

DOCUMENTATION REQUIREMENTS

LOCAL BOARD AND LRO FORMS:

Only EFSP provided forms will be accepted from State Set-Aside Committees, Local Boards and LROs and must be e-signed using DocuSign. EFSP provided forms may not be altered by either Local Boards or LROs. Local Boards making additional appropriate requirements may add an addendum to the National Board’s LRO Certification Form for LROs to also sign and date. This addendum must be submitted to the National Board. (Note: LROs may use their own forms for intake and to document expenditures. EFSP provides several sample forms in the Annex section of the Manual. These forms may be copied onto LRO letterhead and the use of these samples should eliminate compliance problems, provided the forms are fully and accurately completed.) For further detail, please reference pages 39-42.

SPREADSHEETS FOR ALL PROGRAM CATEGORIES:
A spreadsheet for each program category (mass feeding, other food, mass shelter, other shelter, supplies/equipment, rent/mortgage, utilities and administration) must be maintained and must be provided when documentation is reviewed for the EFSP. The documentation for EFSP expenditures must support the information on the spreadsheet. Spreadsheets will provide an overview of how EFSP funds were spent and serve as a checklist with which the documentation can be compared. Sample spreadsheets can be found on the EFSP website. Specific information must be provided on the spreadsheets (i.e., check number, date of check, vendor, client name [as needed], amount of check, amount of check attributed to EFSP, etc.). Reference the sample spreadsheets on the website for the required elements for each spending category. Spreadsheets should be in the appropriate order as should the supporting documentation for each individual program category. EFSP will accept spreadsheets/schedules/reports from an LRO’s financial system provided the spreadsheets/schedule/report contains the required elements.

**IMPORTANT CHANGE:** If an LRO pays $100 or less on a past-due utility bill balance for a client, on the utility spreadsheet in the billing period column, please insert N/A. No billing period is required for the expenditure. Do not leave the column blank. If the column is left blank, it will result in a compliance exception.

For further detail, please reference pages 32-38 in the Phase 36 Addendum, and 30-91 in the Phase 35 Responsibilities and Requirements Manual.

**PROOF OF PAYMENT:**

EFSP funding is intended to be used as necessary to meet emergency need and expenditures incurred under EFSP must be promptly paid to vendors. Generally, payments should be made to vendors within one accounting cycle (normally 30 days). However, the EFSP will allow payments made not more than 90 days from the invoice or intake date as appropriate. LROs must ensure any amount paid and attributed to EFSP is still due in its entirety at the time payment is made. Payments made more than 90 days following the invoice or intake date will be considered ineligible and funds will be subject to return to the National Board. It is the intent of EFSP that funds received by LROs are used for costs incurred during the program period and that vendors be paid during the program period to the extent possible. It is also the intent of EFSP that goods or services be purchased and used during the program period. Large purchases made at the end of the program period do not meet this intent and may be considered ineligible. For further detail, please reference pages 63-64 and 79 in the Phase 35 Responsibilities and Requirements Manual.

**REMINDER – NO FEE REQUIREMENT FOR SERVICE**

No individual, family or household may be charged a fee for service or be required to attend religious/counseling services with relation to assistance received under EFSP. Please note, EFSP does not consider the receipt of donations to an agency to be the same as a fee for service. The receipt of donations does not prevent an agency from participating in the EFSP.

For further details reference page 63 in the Phase 35 Responsibilities and Requirements Manual.

**REMINDER – CHARGING BACK OF ELIGIBLE EXPENDITURES**

LROs may submit expenditures for items and services procured prior to receiving EFSP funds. The expenditures must be incurred during the spending period and be eligible under EFSP program guidelines. All documentation requirements for the category in which the expenditures are reported will apply.

(Documentation required: Spreadsheets for the categories, documentation including invoices/receipts and proof of payment.)
REMINDER – PAYMENT TO VENDOR (NOT MORE THAN 90 DAYS)

Payments must be made to vendors for all eligible expenditures, by an approved method, not more than 90 days after the receipt/invoice date or the date of the client intake form. Payments made more than 90 days following the invoice or intake date will be considered ineligible and funds will be subject to return to the National Board.

For further details reference pages 63-64 and 79 in the Phase 35 Responsibilities and Requirements Manual.

Key Dates for Phase 36

The National Board sets key program dates during the course of each phase in an effort to ensure funds are released in a timely manner to eligible Local Boards and their LROs. *All dates are subject to change and may be changed unilaterally by the National Board, as needed*, including submission of Local Board Plans, Second Payment Requests, EFT enrollment, and Final Reports. Local Boards will be notified of changes via email, as necessary. *The failure of Local Boards and LROs to adhere to the key program dates may result in the loss of funds.*

The Emergency Food and Shelter National Board Program (EFSP) is a restricted federal grant. All federal grants have terms and conditions that apply to ALL parties participating in the grant. For the EFSP, all parties mean the National Board which is considered the Recipient, State Set-Aside Committees (SSAs), Local Boards, and Local Recipient Organizations (LROs) that are considered the Sub-Recipient. This section of the EFSP Responsibilities and Requirements Manual (EFSP Manual) provides guidance related to the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions of the grant. The EFSP Certification Forms for all parties contain statements that incorporate the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions. All parties must ensure their understanding of this section of the EFSP Manual and the statements on the Certification Forms being signed, as they are agreeing to specific program requirements mandated by the Federal government, including those that do not appear to apply to the types of programs and activities eligible under the EFSP. While some of the articles do not appear to be consistent with the types of programs and activities funded under the EFSP and some state recipient but not sub-recipient, all Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions must be passed on to all parties participating in the EFSP. All parties will be held accountable for complying with the provisions of the grant as well as full compliance with applicable requirements of all other Federal laws, Executive Orders, regulations, and policies governing this program including those not specifically stated in this Manual.

Most SSAs and Local Boards do not receive funds (except administrative funds where they are considered to be an LRO and therefore a Sub-Recipient), these parties participating in the EFSP have responsibility for ensuring compliance in their selection of jurisdictions and/or LROs for funding and adhering to all EFSP requirements, including the Grant Agreement Articles, Financial Terms and Conditions, and Other Terms and Conditions. SSAs, Local Boards, and LROs should familiarize themselves with all specific citations noted in the Manual.

The National Board requires all participants to meet the requirements stated in this manual regarding program compliance, reporting, documentation and submission of documentation.

1. Definitions
   a. “Jurisdiction” refers to the city, county or combination receiving funds through EFSP.
   b. “Local Recipient Organization” or “LRO” refers to the local private or public agency that will receive any award of funds from the National Board.
   c. “Award” refers to the award of funds made by the National Board to a local private or public agency on the recommendation of a Local Board.
   d. “End-of-program” refers to the jurisdiction’s end date, as agreed by Local and National Board, by which all monies must be spent or returned to the National Board.
   e. “Begin Date” is the date LROs may begin expending funds.
   f. “End date” is the date by which all funds must be expended or returned to the National Board.

2. Amendments
   An award may be amended at any time by a written modification. Amendments, which reflect the rights and obligations of either party, shall be executed by both the National Board and the LRO. Administrative amendments such as changes in accounting data may be issued unilaterally by the National Board.

3. Local Board Authority Related to Local Recipient Organizations
   The Local Board is responsible for monitoring expenditures of LROs receiving EFSP funds; authorizing the adjustment of funds between EFSP funded services; and, reallocating funds from one LRO to another.

Local Boards may not alter or change National Board cost eligibility or approve expenditures outside of the National Board’s criteria without National Board permission. Local Boards may not alter or change the National Board’s documentation requirements.

A Local Board can recall an award to an LRO and reallocate to another LRO in the case of gross negligence, inadequate use of funds, failure to use funds, failure to use funds for purposes intended, for any other violation of the National Board guidelines, or in cases of critical need in the community. The Local Board must advise, in writing, all concerned LROs of any reallocation of their original award.

In the event the Local Board discovers ineligible expenditures by an LRO, the Local Board must send to the LRO a written request for reimbursement of the amount. The National Board must also be notified. If the LRO is unwilling or unable to reimburse the National Board for the ineligible expenditure, the Local Board must refer the matter to the National Board. The National Board may ask the Local Board to take further action to see that reimbursement of ineligible expenditures is made to the National Board, or the National Board may refer the matter to FEMA.

If the Local Board suspects that fraud has been committed by an LRO, the Local Board must contact the DHS/Office of Inspector General with details of the suspected fraud or misuse of Federal funds. The OIG’s preferred method for reporting fraud is to submit their online allegation form from their website www.oig.dhs.gov. The address for mailing information is DHS Office of Inspector General/MAIL STOP 0305, Attention: Office of Integrity & Quality Oversight – Hotline, Murray Lane SW, Washington, DC 20528-0305. See pages 34-35 in the Phase 35 Responsibilities and Requirements Manual for more details.

   a. Any money advanced to the LRO under the terms of this award must be deposited in a checking account in a bank with Federal Deposit Insurance Corporation (FDIC) or Federal Savings & Loan Insurance Corporation (FSLIC) insurance coverage (whose responsibility has been taken over by FDIC), and the balance exceeding the FDIC or FSLIC coverage must be collaterally secured. Interest income earned on these funds must be put back into eligible program costs, not administration.
   b. LROs are encouraged to use minority-owned banks (a bank that is owned at least 51 percent by minority group members). This is consistent with the national goal of expanding the opportunities for minority business enterprises. A list of minority-owned banks can be obtained at the addresses below.
      i. [www.federalreserve.gov/releases/mob/current/default.htm](http://www.federalreserve.gov/releases/mob/current/default.htm)

Financial records, supporting documentation, statistical records, and all other records pertinent to the award shall be retained by the LRO for a period of three years from the end-of-program date with the following exceptions: See Annex 13, page 105-106 in the Phase 35 Responsibilities and Requirements Manual.
      i. If any litigation, claim, program compliance review, or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims, program compliance problems, or audit findings involving the records have been resolved.
      ii. Records for non-expendable property, if any, acquired in part with EFSP funds shall be retained for three years after submission of the final financial report (Final Report). Non-expendable property is defined as tangible property having a useful life of more than one year and an acquisition cost of more than $300 per unit.
   b. The retention period starts from the date of the submission by the LRO of the final expenditure report (Final Report).
   c. The National Board may request transfer of certain records to its custody from the LRO when it determines that the records possess long-term retention value. The LRO shall make such transfers as requested.
   d. The Director of FEMA, the Comptroller General of the United States, and the National Board, or any of their duly authorized representatives, shall have access to any pertinent books, documents, papers, and records of the LRO, and its sub grantees, to make audits, examinations, excerpts, and transcripts.

6. **Financial Management Systems**
   The LRO/Fiscal Agent or Fiscal Conduit shall maintain a financial management system that provides for the following:

f. A systematic method to assure timely and appropriate resolution of audit findings and recommendations.
g. In cases where more than one civil jurisdiction (e.g., a city and a balance of county, or several counties) recommends awards to the same LRO, the LRO can combine these funds in a single account. However, separate program records for each civil jurisdiction award must be kept.

7. Audit Requirements
If receiving $100,000 or more in EFSP funds, the LRO will be eligible to receive the funds if it arranges for an independent audit of funds to coincide with the next scheduled annual audit of its financial affairs. If receiving $50,000 to $99,999 in EFSP funds, the LRO will be eligible to receive the funds if it arranges for an annual accountant’s review of funds to coincide with the next scheduled annual review of its financial affairs. An original copy of this audit or review will be provided to the National Board upon request. **It is not necessary to have a separate, independent audit/ review for this award so long as program funds are treated as a separate element in the LRO’s regular annual audit/review.** If the LRO does not have a certified annual audit/review, that audit/review must be provided by a Local Board designated Fiscal Agent for the LRO willing to account for the funds. **The audit submitted must be from the current year or one year prior. See Annex 12, page 103 in the Phase 35 Responsibilities and Requirements Manual.**

All EFSP funded LROs (both governmental and not-for-profit) that expend $750,000 or more in Federal funds must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance), Audits of States, Local Government, and Nonprofit Organizations, which requires a single organization-wide audit. This $750,000 could be exclusively EFSP funds or a combination of EFSP and other Federal funds that an agency might be receiving. **Note: A copy of the audit report must be forwarded to the National Board annually along with the regular audit. EFSP funds must be clearly identified by ID number in the audit/review and Schedule of Federal Awards.**

Audits of units of government shall be made annually unless the state or local government had, by January 1, 1987, a constitutional or statutory requirement for less frequent audits. LROs receiving funds in a single or multiple jurisdictions must identify each award individually by their LRO ID number in each jurisdiction under the Pass-Through Grantors Number on the Schedule of Expenditures of Federal Awards.

8. Payment
A first payment shall be made to the LRO upon recommendation of the Local Board and approval by the National Board. Second payment requests include an interim report to be submitted and signed by each LRO. The request is also signed by the Local Board chair, and submitted to the National Board. For each LRO funded in the previous phase, second installments will be held until the jurisdiction’s final Local Board report and documentation for the previous year has been reviewed and found to be compliant.
9. **Financial Reporting Requirements**

The National Board shall provide the LRO, through the Local Board, with the necessary reporting requirements in advance of report deadlines.

LROs shall submit their final report to the Local Board that will then be forwarded to the National Board approximately 45 days after the jurisdiction’s program ending date or the date designated by the National Board.

10. **Closeout**

The following definitions shall apply:

- **“Closeout”** is the process by which the National Board determines that all applicable administrative actions and all required work of the award have been completed.
- **“Disallowed costs”** are those charges that the National Board determined to be unallowable in accordance with the legislation, National Board requirements and applicable Federal cost principles or other conditions contained in the award. The applicable cost principles are contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200 of the Office of Management and Budget (Uniform Guidance.) 12. **Lobbying**

Pursuant to [31 U.S.C. §1352](https://www.law.cornell.edu/uscode/text/31/§1352), an LRO is prohibited from using federally appropriated grant funds for lobbying activities. This condition bars the use of Federal money for political activities, but does not in any way restrict lobbying or political activities paid for with non-Federal funds. This condition prohibits the use of Federal grant funds for the following activities:

Each LRO will make this certification by signing the LRO certification Form which states the requirement. Each Local Board must certify they have received the LRO Certification Form from the LRO which state the requirements. Additionally, the Local Board will return each LRO Certification Form with the Local Board Plan.

Other Terms and Conditions

Duplication of Benefits
There may not be a duplication of any Federal assistance by governmental entities, per 2 CFR Part §225 (Uniform Guidance), basic Guidelines Section C.(c), which states: Any cost allocable to a particular Federal award or cost objective under the principles provided for in this Authority may not be charged to other Federal awards to overcome fund deficiencies, to avoid restrictions imposed by law or terms of the Federal awards, or for other reasons. However, this prohibition would not preclude governmental units from shifting costs that are allowable under two or more awards in accordance with existing program agreements. Non-governmental entities are also subject to this prohibition per 2 CFR Parts §220 and §230 and 48 CFR Part §31.2 (Uniform Guidance.)

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. EFSP is not intended to make up for budget shortfalls or to be considered a line item in an annual budget. EFSP is non-disaster, supplemental funding. Expenditures charged in full to the EFSP grant may not also be charged to other awards/grants; nor may expenditures paid for with EFSP funding be charged to other awards/grants. The statements contained in the Certification Forms – “Will use funds to supplement/extend existing resources and not to substitute or reimburse ongoing programs and services” and “Will expend monies only on EFSP eligible costs” as well as the Costs Eligibility sections of the EFSP Manual speak to this requirement.

Non-Supplanting Requirement
Grant funds will not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. Applicants or grantees may be required to demonstrate and document that a reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.

Hatch Act
The Hatch Act restricts the political activity of individuals principally employed by state or local executive agencies and who work in connection with programs financed in whole or in part by Federal loans or grants. All recipients of financial assistance will comply with the regulations, as applicable, to States and Local Governments, of the Hatch Act, 5 U.S.C. § 1501 – 1508, as amended.
EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs (both governmental and non-profit). These entities are responsible for determining the applicability of this requirement to the employees of their agency/organization as this requirement is fact-dependent and needs to be compared to the work of the individual employee.

False Claims Act and Program Fraud Civil Remedies

All recipients of financial assistance will comply with the requirements of 31 U.S.C. § 3729 which sets forth that no recipient of Federal payments shall submit a false claim for payment. Further, 38 U.S.C. § 3801 – 3812 contains administrative remedies for false claims and statements made.

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. Generally, this act provides for criminal penalties if false claims are filed.

Debarment and Suspension

Executive Orders 12549 and 12689 provide protection against waste, fraud and abuse by debarring or suspending those persons/agencies deemed irresponsible in their dealings with the Federal government. The recipient agency must certify that they are not debarred or suspended from receiving Federal assistance. For additional information, see 2 CFR Part §3000 (Uniform Guidance.) *See also Appendix B. The statement contained in the Certification Forms – “Is not debarred or suspended from receiving Federal funds” and the Financial Terms and Conditions sections in the EFSP Manual speak to this requirement.

Hotel and Motel Fire Safety Act of 1990

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. Should SSAs, Local Boards, or LROs conduct conferences, meetings, or trainings for EFSP using any administrative funding from the EFSP, they must comply with this requirement.

Best Practices for Collection and Use of Personally Identifiable Information (PII)

DHS recommends that all grantees who collect PII have a publicly-available privacy policy that describes what PII they collect, how they use the PII, whether they share the PII with third parties, and how individuals may have their PII corrected where appropriate. Grantees may also find as a useful resource the DHS Privacy Impact Assessments: The Privacy Office Official Guidance and the Privacy Impact Assessment Template (available on the DHS Privacy Office website at:

http://www.dhs.gov/xlibrary/assets/privacy/privacy_pia_guidance_june2010.pdf and

EFSP Applicability: This applies to all State Set-Aside Committees, Local Boards and LROs. In order to meet the documentation requirements of the EFSP in certain program categories, it is necessary to obtain, retain, and provide, if requested, PII for clients served with EFSP funding. Additionally, there must be a system in place to ensure there is no duplication of service in the specific categories of rent/mortgage and utility assistance which may require the sharing of PII for this purpose. The National Board does not require and does not expect to receive PII beyond what is noted in the EFSP Documentation Requirements as stated in the Manual. Items that should not be submitted to EFSP as documentation include, but are not limited, to driver’s licenses, Social Security Numbers or cards, pay stubs, etc.

Required Forms

The following pages include samples of the required forms that must be used by participants of the EFSP. These forms may not be altered. Copies of the spreadsheet templates are available under Forms on the EFSP Website. All certification forms will be sent to the required signers as part of the e-signing process. Please direct any questions regarding the forms to the National Board staff.

Annex 1: Spreadsheets

Spreadsheets are required as part of the documentation requirements to support all expenditures made with EFSP funds. Samples of the required spreadsheets and elements for each category are included in this manual and can be found on the EFSP website under Forms. The following is a list of the elements required for the spreadsheets.

Required Elements with Explanation

1. **Billing Period Covered with Payment**: service period paid for client’s utility bill; if a non-metered utility bill is paid, indicate not applicable (N/A) on the spreadsheet. The required date format is MM/DD/YY-MM/DD/YY. If an LRO pays $100 or less for a client from a past due balance of disconnect/cutoff/shutoff notice from the utility company, the “billing period covered” information is not required on the spreadsheet. Enter “N/A” in the column labeled “billing period covered”.

2. **Building Code Citation Date**: date the agency (feeding or shelter site) received the citation from the local city/county government indicating required work needed on building where services are provided. The required date format is MM/DD/YY.

3. **Client First Name**: legal name of the individual seeking assistance (this only applies to other shelter, rent/mortgage and utility categories.)

4. **Client Last Name**: legal name of the individual seeking assistance (this only applies to other shelter, rent/mortgage and utility categories.)

5. **Client Street Address**: the physical residence of the individual seeking assistance; the individual must be responsible for the service at the address (this only applies to rent/mortgage and utility categories.) P.O. Boxes are not allowed.

6. **Dates of Stay**: for assistance made in the Other Shelter category, indicate the dates the clients stayed in the motel, hotel, etc. The required date format is MM/DD/YY-MM/DD/YY.

7. **Due Date**: date the client’s rent/mortgage and/or utility bills had to be paid (this only applies to rent/mortgage and utility categories.) For rent please use the due date per the lease, not the due date listed on the eviction notice. The required date format is MM/DD/YY.

8. **Delivery Date**: if a non-metered utility bill (propane, firewood, coal, kerosene) is paid, indicate the date of delivery to the client. The required date format is MM/DD/YY.

9. **EFSP Portion of Invoice Amount**: portion of the purchase paid with EFSP funds; the column must be totaled on each page if multiple pages are required for the category. The total amount must be provided for the category on the last page, if multiple pages are required.

10. **Invoice/Receipt Amount**: total cost of purchase as listed on the invoice or receipt.

11. **Invoice/Receipt Date**: date the vendor prints on the invoice or receipt. The required date format is MM/DD/YY.

12. **Invoice/Receipt Number**: preprinted number on the invoice/receipt from vendors; if there is no invoice number, indicate not applicable (N/A) on the spreadsheet.

A webinar providing guidance on preparing spreadsheets is available on the EFSP website under Training Workshops on the left-hand menu after you login.
13. **Landlord/Mortgage Company Name**: individual or company that a client is required to pay their rent or mortgage payment to each month

14. **Member Agency Name**: food banks must provide the name of the agency(ies) that received food when using a shared maintenance fee.

15. **Month Covered with Payment**: service period paid for client’s rent/mortgage or utility (month paid.) The required date format is MM/DD/YY-MM/DD/YY, should indicate the month of coverage provided by the payment.

16. **Monthly Rent/Mortgage**: a client’s regular/usual rent or mortgage (principal and interest only) *(no deposits, late fees or other fees)* for one month as listed on the client’s lease or mortgage papers.

17. **Page Numbers**: number all pages of the spreadsheets, when multiple pages are required for a category.

18. **Payment/Check Clear Date**: date the payment/check goes through banking system (also known as cancellation date of a check); EFSP generally references the check or the bank statement for this information. If an agency’s debit/credit card is used, the date will be the same as the purchase date. The required date format is MM/DD/YY.

19. **Payment/Check Date**: date the payment/check is issued (date printed on the check, money order, etc.) to pay vendors; if an agency’s credit/debit card is used, indicate the date of the purchase *(do not include the card number.)* The required date format is MM/DD/YY.

20. **Payment/Check Number**: preprinted number on check, money order, etc. used to pay vendors for service; if an agency’s credit/debit card is used, indicate credit card or debit card in the spreadsheet *(do not include the card number.)*

21. **Payroll Registers**: payroll registers from the LRO’s system for all employees who worked on the EFSP and the percentage of time charged to EFSP.

22. **Phase and LRO Identification (Name and Number)**: provide the Phase number and the LRO’s name and 9-digit ID number.

23. **Total Check Amount**: cost paid to vendors for services provided for agency or clients (can include partial or total EFSP payment.)

24. **Type of Repair**: for expenditures made in the REHABILITATION category, briefly explain the type of repair.

25. **Type of Service**: for utility payments, indicate if the assistance was for gas, electric, water, propane, kerosene, firewood or coal.

26. **Vendor Name**: company or individual that provided services for agency or clients.
**Served Meals**

Below is a sample spreadsheet of the elements that must be included in the spreadsheet provided to the National Board to support ALL expenditures made in the **Served Meals** category (when not using the per meal allowance) with Emergency Food and Shelter Program (EFSP) funds. The spreadsheet must be presented to the National Board in order by payment/check number. The documentation provided to support the expenditures attributable to EFSP should also be in payment/check number order following the schedule, if required to be submitted.

Ensure that your agency’s name is included on the page along with your LRO 9-digit ID number and the Phase number.

A spreadsheet is required when not using the per meal allowance. The per meal schedule replaces the spreadsheets.
