

School Sponsorship

United Way's Schools of Hope is an early grade literacy initiative which helps children build the critical reading skills needed for success in school and life. Currently, more than half of 3rd grade children in our area read below grade level. The key to the initiative is one-on-one tutoring by trained community volunteers. Parent engagement and rigorous program evaluation are also important components of this unique program.

Three levels of sponsorship are available for organizations wishing to adopt a school as a sponsor. You can choose to sponsor a school listed on the back of this form which currently participates in the SOH program or contact us if you are interested in sponsoring a school not on the list. To see more information about United Way's Schools of Hope, please visit unitedwaywinecountry.org.

We ask all SOH sponsor organizations to:

- ✓ **Provide 10 or more volunteers**
 - Volunteers can be from the organization or recruited by you from other available resources (e.g. Board members, vendors, employees' spouses, etc.)
 - Between one and three organizations may be able to sponsor a school based on sponsorship level and/or the school's need for volunteers
- ✓ **Designate a Volunteer Coordinator for your group to coordinate initial communication between the SOH program and your organization's volunteers**

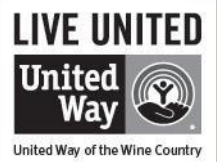

Sponsorship Benefits

Sponsorship Level (Annual Donation)	Sponsorship Benefits				
	Exclusive school adoption	Plaque for organization	Name/logo on signage at adopted school	Name/logo on UWWC SOH webpage & materials	Inclusion in UWWC newsletter & annual ad
Champion (\$10,000 or more)	+	+	+	+	+
Supporting Partner (\$2,000 to \$4,000)			+	+	+
Volunteer Partner (In-kind Donation or Volunteer Time)					+

For more information about sponsoring a school for United Way's Schools of Hope, please contact Nicollette Weinzveg at (707) 528-4485 ext. 141 or nicollette.weinzveg@unitedwaywinecountry.org
